## Education

### Master of Computer Applications

Lovely Professional University (LPU)  
(Pursuing)

2025 - 2027

Phagwara, Punjab

### Bachelor of Computer Applications

Maulana Mazharul Haque Arabic & Persian University  
Per: 75.75 %

2016 - 2019

Patna, Bihar

## Experience

### Rays Edutech PVT Ltd.

Jun 2024 – Dec 2024

Full Stack Web Intern

Patna, Bihar

- Gained a strong foundation in web development, focusing on core concepts of Javascript, Promises, Async/Await, etc,
- Developed scalable and responsive web applications using the **MERN stack** (MongoDB, Express.js, React.js, Node.js).
- Designed and implemented **RESTful APIs** with Express.js and Node.js for seamless data exchange.

## Projects

### To-Do List / React JS, CSS /

- Developed a dynamic To-Do List web application using React.js for state management and CSS for responsive UI design.
- Utilized React Hooks (useState, useEffect) for state management and dynamic updates.
- Designed an interactive UI with CSS animations and responsive layouts.

### Weather App / React JS, CSS /

- Developed a Weather Application using React.js to fetch real-time weather data.
- Integrated OpenWeather API (or any other API used) to display live weather conditions, temperature, humidity, and wind speed.
- Implemented search functionality to fetch weather data for different cities worldwide.
- Designed a responsive and visually appealing UI using CSS with animations and theme-based styling.
- Utilized React Hooks (useState, useEffect) for efficient API calls and state management.

### Login Form / React JS, My SQL, Express JS, Node JS, CSS/

- Developed a full-stack login system using React.js (frontend), Node.js & Express.js (backend), and MySQL (database).
- Designed an interactive user-friendly UI with CSS for a responsive and modern layout.
- Built RESTful APIs with Express.js for user authentication and validation.
- Implemented form validation using both frontend (React) and backend (Express.js) to enhance security.
- Utilized MySQL for user data storage, ensuring optimized query performance and database security.

## Technical Skills

**Frontend:** HTML, React JS, CSS

**Backend:** Node JS, Express JS

**Databases:** MySQL

**Version Control:** Git, GitHub

**Developer Tools:** VSCode, Postman

## Certifications

- Full Stack Web Development (HTML, React, Node, Express, MySQL, CSS) | Rays Edutech Pvt Ltd
- Introductions to programming in HTML | Spoken Tutorials
- Introductions to Programming in JavaScript | Great Learning
